

METOLIUS

PU

polyurethane climbing holds

3XL

2XL

Cobble

A setter's favorite made even better. The addition of incuts makes these classic shapes intriguing on a variety of angles. 44 holds.

Medium

XS

New Wave

These groovy shapes are designed to work with any hand size. Use it like a pinch, use it like a slope, or use it like an edge. Good on slab, vertical, or slightly overhanging terrain. 21 holds.

XS

2XL

4XL

Sunspot

A series of incut edges shaped to comfortably replicate our favorite edging areas. The Sunspots are positive holds and work equally well on vertical and overhanging terrain. 34 holds.

XL

XS

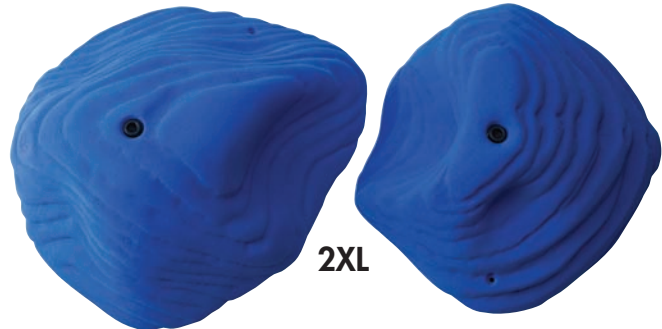

Large

Mud

A series of pockets and pinches. Variations within the holds allow for numerous sweet spots. A favorite texture that will keep you thinking. 32 holds.

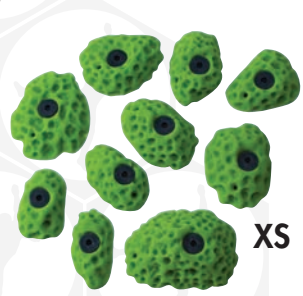

2XL

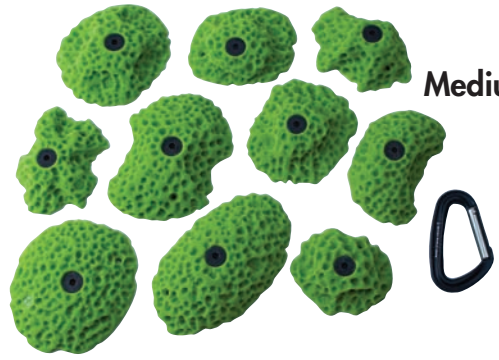

Pitted Feet

Aggressively textured holds designed to ease difficult foot placements. Steep, off-cambered smears, blind feet, or tricky pairs become less of a problem. 20 holds.

XS

Medium

Joey

Ergonomic open-hand shapes with subtle thumb catches, sloping bubbles, depressions, and gentle crimps. These shapes work well on multiple angles and with every hand size. 32 holds.

3XL

XL
