Please note that we are only able to inspect and repair Metolius Cams.

Metolius Climbing makes all efforts to return your cams to their best condition. However, cams have a finite lifespan and may need to be retired. We will only do repairs we deem necessary. Please note that we do not offer cam repair service outside of the US & Canada.

A completed cam repair form is required to be submitted with your cams, we only need page 2 of the form. Email customer service at info@metoliusclimbing.com for an **RA#**. Write your RA# on the outside of the package and on page 2 of the cam repair form. We will send tracking information to the email address you provide when the cams are shipped back to you. Only send cams, no additional racking gear or carabiners. Please do not include any excess packing material.

Service Fees Includes:

Resling: \$5/ per cam – inspection, cleaning, lube, balance, tuning, and new slings.

All cams sent in for repair will get the resling service.

Rewire: \$5/ per cam – new trigger wires or cords. This is an additional charge to the resling service and only done when deemed necessary during the inspection process.

\$10 total for resling and rewire service per cam.

New: Quickdraw resling: \$5/ per draw. We now offer a resling service for our captive eye quickdraws.

Anchor Draw (Surefire Quickdraw coming Spring 2023)

Shipping: West of Mississippi - \$15

AK & HI – Will be charged actual shipping rates.

East of Mississippi - \$20

Canada - \$30 (may vary depending on location and services required)

For 25 cams or more, shipping charges will vary according to UPS fees.
